The balance is payable, if full payment has not already been made, by August 1 2014.

All payments after August 1 2014 will only be processed with a £ 100 late payment fee.

As advised before all UK Class entry drivers must be full members of the 2CV racing club.

Membership forms can be downloaded from [here](#) and if returned along with this form and the appropriate payment made then we can process the membership as well.

The regulations have been published [here](#). Note that there may be supplementary regulations.

Each team requires a minimum of 3 drivers so by August 1 we will require a list of 3 drivers who are members of the club to come with the final entry details.

Any driver who wishes to register to race after August 1, and is not a full member of the 2CV Racing Club by August 1, will need to register at the meeting and Anglesey Circuit will process the form at signing on.

Anglesey Circuit will charge an additional £ 30 to process the application so total cost for membership after August 1 will be £ 80.

A driver who is a member of the 2CV Racing Club before August 1 may be added to a team with no surcharge providing an updated entry form below being sent by email only before 1800 on Tuesday 26 August 2014.
